Why we want you

We are passionate about pet welfare and enjoy sharing that knowledge with students. You will learn about providing the best pet care and helping to make a huge difference to the pets in our centre. You can also share your newfound knowledge with your peers and help them better understand their pet's needs.

What you will be doing

- Learning about responsible pet care
- Helping with cleaning/feeding routine with the cats and small pets
- Socialising the cats, kittens, and small pets, playing with them and grooming
- Setting up enriching pens for each species
- Help complete paperwork to monitor and record health, welfare, and behaviour of the pets
- Communicate effectively with team members where appropriate
- Keeping your work area clean and tidy

The skills you need

- An interest in pet care and welfare
- Willingness to learn and follow Blue Cross procedures
- Willingness to complete training provided
- Good communicator
- Regular commitment and reliability
- Competent and friendly
- Ability to work in a team
- A reasonable level of fitness to carry out daily duties

What's in it for you

- You'll be helping pets to have happy, healthy lives
- Spend quality time with our pets then watch them go to new homes
- A chance to spend quality time with pets
- Gain skills and confidence
- Enhance your CV for further education or a career
- Join a great team of like-minded people

Disclaimer

Blue Cross holds inclusion as a core organisational value. We positively encourage applications from eligible volunteers regardless of sex, race, disability, age, sexual orientation, transgender status, religion or belief, marital status or pregnancy and maternity. We actively embrace our differences and know that it is our differences that make us unique. You are very welcome at Blue Cross, without the need to hide any part of who you are.
