Why we want you

We are passionate about pet welfare and enjoy sharing that passion with likeminded people. Having you join us not only gives you the insight to what it takes to make our charity tick, it helps us work towards our vision that every pet will enjoy a healthy life in a happy home.

We would love to inspire you about careers in the veterinary field.

What you will be doing

- Observing a fast-paced clinical hospital environment including spending time with our kennels, reception, theatre and clinics teams
- Shadowing vet nurses and vets to better understand their roles
- Assisting volunteers and staff with day-to-day tasks

The skills you need

- Working towards a career in the animal care or veterinary sector
- Reliable & Responsible
- An understanding of the care pets require
- Willingness to carry out routine tasks to support our team in caring for our patients
- Willingness to learn and follow Blue Cross procedures
- Compassion and understanding for our clients

What's in it for you

- You'll gain a variety of experience for your CV
- You'll be part of an incredible supportive team
- You'll see a wide variety of cases and can make an informed decision if a career in animal care or veterinary medicine is for you
- You'll learn new skills such as customer service, communication and team working
- You'll meet new people and learn more about your local community
- We'll provide you with all the training you need

Disclaimer

Blue Cross holds inclusion as a core organisational value. We positively

encourage applications from eligible volunteers regardless of sex, race, disability, age, sexual orientation, transgender status, religion or belief, marital status or pregnancy and maternity. We actively embrace our differences and know that it is our differences that make us unique. You are very welcome at Blue Cross, without the need to hide any part of who you are.

We have a huge demand for veterinary work experience placements so you'll need to demonstrate to us that you are keen to pursue a career in the animal care or veterinary sector.
